Out of numerous nominees, most of whom were salons with many stylists, Rebecca Ferris, a lone competitor from Oakland, California triumphed and has been declared winner of the prestigious 2011 SF BayList Award for the BEST Hair Cut.

This is the first time Rebecca has won this very important San Francisco Bay Area award. When asked about her win, Rebecca was elated. "First of all, it's a great honor for me to be included with all the amazing San Francisco Bay Area hairstyling talent in this competition and I would like to send out a huge thanks to everyone who voted for me. This whole experience has been so much fun!" Rebecca said. "I am very happy and grateful to be voted the best hair cut in the Bay Area by the SF BayList, its readers and all of my hair clients and supporters," Rebecca said. "Being a hairstylist is who I am and what I love. I receive great joy every day from all of my clients. So, to all of my amazing and wonderful friends I say, you are the best!"

Rebecca's Web developer and big brother, Mitch Ferris, was also very proud. "Rebecca has a great work ethic and she's extremely talented" Mitch said. "It was fun for me to help my little sister with her Websites and SEO (search engine optimization). "She's now, definitely on Google's radar!" he said.

The SF BayList is an online contest where consumers vote to determine the BEST local businesses. Tens of thousands of consumers — including many loyal customers — vote for and spread the word about businesses they love.
